leasing@nimans.net

nimans

Working with leading financial houses we can offer:

- Competitive rates
- 2-7 years available
- Streamlined credit decisions - 4 hours from submission to decision
- Finance your total solution, finance available from £1000+
- Services can be included within the lease bundle
- Ability to add new equipment to the lease throughout its life
- Purchase options at the end of the lease

Efficiency

- Finance your total solution into 1 bundled monthly or quarterly payment
- Reduce time to payment with our electronic signature capability

Flexibility

- Match your finance to your business requirements – add in new equipment through the life of the lease, or purchase at the end
- Preserve credit lines for other business priorities

Compliance

- Our in-house lease desk is regulated by the Financial Services Authority

92%

lease acceptance

With a 92% lease acceptance rate and over 20 years of experience in financial services, our dedicated team of experts are on-hand to support you with securing a leasing agreement for your products and services.

Flexible purchasing options – match your finance to your business requirements, adding in new equipment through the lease or purchasing the equipment at the end of the lease.
